

SAFETY STATUES

WHEN THE MUSIC STOPS, YOU DO TOO!

Stop!

Find a safe place to cross where you can see the road clearly. **STOP** on the pavement near the kerb.

Look!

Check for traffic. **LOOK** left and right. If traffic is coming, wait and let it pass. Keep looking.

Listen!

LISTEN for traffic coming too. When the road is clear, walk straight across. Keep looking and listening.

STOP, LOOK AND LISTEN AS YOU CROSS THE ROAD

Learning the Green Cross Code will help you stay safe when you're crossing the road. It's fun too.

Traffic Policeman from Big Town has made a game to show you how the Green Cross Code works. Start dancing when the music starts but when it stops, copy what the Traffic Policeman is doing as quickly as possible.

The first time you must **STOP**, the second time you must **LOOK** and the third time you must **LISTEN** – just like with the Green Cross Code.

Want to see Traffic Policeman dance along with you? There's an interactive version of this game online – so visit www.total.co.uk/littlelearners and Traffic Policeman will show you how to play.

Teacher's note: This activity is ideal for the Physical area of the curriculum.
